

IHE Master's Performance Report

Queens University of Charlotte

2013 - 2014

Overview of Master's Program

Queens University of Charlotte offers a Masters of Arts in Teaching in Elementary (MAT) (K-6), Masters of Education in Literacy (M.Ed.) (K-12), Master of Arts in Educational Leadership (MEL). Courses are taken from 6:00 to 9:00 in the evenings and during the summer to accommodate the needs of the adult learner.

Special Features of Master's Program

Those holding an undergraduate degree and wish to teach in an elementary school can enroll in the Master of Arts in Teaching Program (MAT). This program consists of two phases. At the completion of Phase I, which includes student teaching, students apply for initial licensure. During Phase II as practicing teachers, they complete the advanced course of study leading to the Master of Arts in Teaching. Culminating the MAT experience, degree candidates present their research projects to an audience of P-12 practicing teachers, university faculty, and school administrators at the Action Research Symposium. Candidates in the Master of Arts in Teaching develop as reflective practitioners, diagnostic educators and teacher researchers.

Queens established a strong support system with CMS to train teachers, to help eliminate licensure problems for practicing teachers, and to assist classroom teachers in increasing their knowledge base. Queens continues to assist CMS to help teachers obtain a license as quickly as possible. Currently, all CMS employees receive reduced tuition rate for education classes. At Myers Park Traditional Elementary School, which is our Professional Development School and borders the campus, staff can take education classes at Queens free of charge. We continue to keep a strong presence in the elementary school. In summer 2004 as part of the M.Ed., a free reading clinic was established to meet the needs of the Diagnostic Practicum. Children in the program are afforded help to strengthen their reading skills as part of the summer program. This clinic is offered in the summer as each MED cohort takes the Diagnostic Practicum.

The new Master of Arts in Educational Leadership (MEL) program began in the fall of 2013. This program is a full on-line program.
